**ORDER**

This matter is before the court on Defendant's Motion to Reconsider Order of Detention. [Doc. 34]

The court has carefully reconsidered the Pretrial Services Report, the Order of Detention and has considered the matters raised in defendant's Motion. Defendant has not rebutted the presumption of detention. The court finds that the Order of Detention shall remain in full force and effect. However, the court will advise the Marshals Service of defendant's health concerns and will suggest she be confined at the St. Louis County Justice Center or a similar facility where there may be more appropriate medical care.

Accordingly,

**IT IS HEREBY ORDERED** that Defendant's Motion to Reconsider Order of Detention is DENIED. [Doc. 34]

**It is requested** that the Marshals Service, if possible, confine defendant in the St. Louis County Justice Center or a facility where she can receive appropriate medical care.
